The LOI must clearly identify the sender, including agency name, contact person, postal address, telephone number, fax number, and e-mail address. The early submission of questions is encouraged. Questions will not be accepted or answered verbally – neither in person nor over the telephone. All questions received before the deadline will be answered. However, the Department will not answer questions when the source is unknown (i.e., nuisance or anonymous questions). Questions deemed unrelated to the RFP or the procurement process will not be answered. At its discretion, the Department may or may not respond to questions received after the deadline. If the Department chooses to answer questions received after the deadline, the question and the answer will be made available to all proposers or prospective proposers. The Department reserves the right to answer questions only from those who have submitted an LOI. The Department may combine similar questions and give only one answer. All questions and answers will be compiled into a written amendment to this RFP. If any answer to any question constitutes a material change to the RFP, the question and answer will be placed at the beginning of the amendment and duly noted as such. The Department will release the answers to questions on the dates established in the Procurement Schedule. The Department will publish any and all amendments to this RFP on the State Contracting Portal and the Department's Web Site.

- 9. RFP Conference.** An RFP conference will not be held to answer questions from prospective proposers. All questions to be submitted in accordance with #8 Inquiry Procedures. Questions will be answered in a written amendment to this RFP, which will serve as the Department's official response to questions asked in lieu of RFP conference. If any answer to any question constitutes a material change to the RFP, the question and answer will be placed at the beginning of the amendment and duly noted as such. The agency will release the amendment on the date established in the Procurement Schedule. The Department will publish any and all amendments to this RFP on the State Contracting Portal and, if available, on the Department's Web Site.

**10. Proposal Due Date and Time.** The Official Contact is the **only authorized recipient** of proposals submitted in response to this RFP. Proposals must be **received** by the Official Contact on or before the following due date and time:

- Due Date: June 6, 2014
- Time: 3:00 PM

Faxed or e-mailed proposals will not be evaluated. When hand-delivering proposals by courier or in person, allow extra time due to building security procedures. The Department will not accept a postmark date as the basis for meeting the submission due date and time. Proposals received after the due date and time may be accepted by the Department as a clerical function, but late proposals will not be evaluated. At the discretion of the Department, late proposals will either be destroyed or retained for pick up by the submitters.

An acceptable submission must include the following:

- one (1) original proposal;
- four (4) conforming copies of the original proposal; and
- one (1) conforming electronic copy (on disc or drive) of the original proposal.

The original proposal must carry original signatures and be clearly marked on the cover as "Original." Unsigned proposals will not be evaluated. The original proposal and each conforming copy of the proposal must be complete, properly formatted and outlined, and ready for evaluation by the Screening Committee. The electronic copy of the proposal must be compatible with Microsoft Office Word 2007. For the electronic copy, whenever possible, required forms and appendices may be scanned and submitted in Portable Document Format (PDF) or similar file format.

**11. Multiple Proposals.** The submission of multiple proposals from the same proposer is **not** an option with this procurement.

**12. Declaration of Confidential Information.** Proposers are advised that all materials associated with this procurement are subject to the terms of the Freedom of Information Act (FOIA), the Privacy Act, and all rules, regulations and interpretations resulting from them. If a proposer deems that certain information required by this RFP is confidential, the proposer must label such information as CONFIDENTIAL. In Section C of the proposal submission, the proposer must reference where the information labeled CONFIDENTIAL is located in the proposal. *EXAMPLE: Section G.1.a.* For each subsection so referenced, the proposer must provide a convincing explanation and rationale sufficient to justify an exemption of the information from release under the FOIA. The explanation and rationale must be stated in terms of (a) the prospective harm to the competitive position of the proposer that would result if the identified information were to be released and (b) the reasons why the information is legally exempt from release pursuant to C.G.S. § 1-210(b).

**13. Conflict of Interest - Disclosure Statement.** Proposers must include a disclosure statement concerning any current business relationships (within the last three (3) years) that pose a conflict of interest, as defined by C.G.S. § 1-85. A conflict of interest exists when a relationship exists between the proposer and a public official (including an elected official) or State employee that may interfere with fair competition or may be adverse to the interests of the State. The existence of a conflict of interest is not, in and of itself, evidence of wrongdoing. A conflict of interest may, however, become a legal matter if a proposer tries to influence, or succeeds in influencing, the outcome of an official decision for their personal or corporate benefit. The Department will determine whether any disclosed conflict of interest poses a substantial advantage to the proposer over the competition, decreases the overall competitiveness of this procurement, or is not in the best interests of the State. In the absence of any conflict of interest, a proposer must affirm such in the disclosure statement. *Example: "[name of proposer] has no current business relationship (within the last three (3) years) that poses a conflict of interest, as defined by C.G.S. § 1-85."*

At the discretion of the Department, such a proposal may be either destroyed or retained for pick up by the submitters.

## ■ E. EVALUATION OF PROPOSALS

1. **Evaluation Process.** It is the intent of the Department to conduct a comprehensive, fair, and impartial evaluation of proposals received in response to this RFP. When evaluating proposals, negotiating and awarding contracts, the Department will conform with its written procedures for POS procurements (pursuant to C.G.S. § 4-217) and the State's Code of Ethics (pursuant to C.G.S. §§ 1-84 and 1-85).
2. **Screening Committee.** The Department will designate a Screening Committee to evaluate proposals submitted in response to this RFP. The contents of all submitted proposals, including any confidential information, will be shared with the Screening Committee. Only proposals found to be responsive (that is, complying with all instructions and requirements described herein) will be reviewed, rated, and scored. Proposals that fail to comply with all instructions will be rejected without further consideration. Attempts

by any proposer (or representative of any proposer) to contact or influence any member of the Screening Committee may result in disqualification of the proposer.

- 3. Minimum Submission Requirements.** All proposals must comply with the requirements specified in this RFP. To be eligible for evaluation, proposals must (1) be received on or before the due date and time; (2) meet the Proposal Format requirements; (3) follow the required Proposal Outline; and (4) be complete. Proposals that fail to follow instructions or satisfy these minimum submission requirements will not be reviewed further. The Department will reject any proposal that deviates significantly from the requirements of this RFP.
- 4. Evaluation Criteria (and Weights).** Proposals meeting the Minimum Submission Requirements will be evaluated according to the established criteria. The criteria are the objective standards that the Screening Committee will use to evaluate the technical merits of the proposals. Only the criteria listed below will be used to evaluate proposals. Interpretation of these criteria will be established by the Screening Committee prior to receipt of proposals. The criteria are weighted according to their relative importance. The weights are disclosed below.

Criteria	Possible Points
Staff Qualifications	20 Points
Capability, Capacity and Qualifications of Applicant	20 Points
Quality of the Work Plan	15 Points
Suitability of Process/Methodology	10 Points
<b>Total Possible Technical Points</b>	<b>65 Points</b>
Cost (Based on Cost Proposal/ Fee Structure)	35 Points
<b>Total Possible Points</b>	<b>100 Points</b>

- 5. Proposer Selection.** Upon completing its evaluation of proposals, the Screening Committee will submit the rankings of all proposals to the Department head. The final selection of a successful proposer is at the discretion of the Department head. Any proposer selected will be so notified and awarded an opportunity to negotiate a contract with the Department. Such negotiations may, but will not automatically, result in a contract. Pursuant to Governor M. Jodi Rell's Executive Order No. 3, any resulting contract will be posted on the State Contracting Portal. All unsuccessful proposers will be notified by e-mail or U.S. mail, at the Department's discretion, about the outcome of the evaluation and proposer selection process.
- 6. Debriefing.** Within ten (10) days of receiving notification from the Department, unsuccessful proposers may contact the Official Contact and request information about the evaluation and proposer selection process. The e-mail sent date or the postmark date on the notification envelope sent by the Department will be considered "day one" of the ten (10) days. If unsuccessful proposers still have questions after receiving this information, they may contact the Official Contact and request a meeting with the Department to discuss the evaluation process and their proposals. If held, the debriefing meeting will not include any comparisons of unsuccessful proposals with other proposals. The Department will schedule and hold the debriefing meeting within fifteen (15) days of the request. The Department will not change, alter, or modify the outcome of the evaluation or selection process as a result of any debriefing meeting.
- 7. Appeal Process.** Proposers may appeal any aspect the Department's competitive procurement, including the evaluation and proposer selection process. Any such appeal must be submitted to the Department head with a copy of the appeal being sent to the Official Contact. A proposer may file an appeal at any time after the proposal due date, but not later than thirty (30) days after an agency notifies unsuccessful proposers about the outcome of the evaluation and proposer selection process. The e-mail sent date or the postmark date on the notification envelope sent by the Department will be considered "day one" of the thirty (30) days. The filing of an appeal shall not be deemed sufficient reason for the Department to

delay, suspend, cancel, or terminate the procurement process or execution of a contract. More detailed information about filing an appeal may be obtained from the Official Contact.

- 8. Contract Execution.** Any contract developed and executed as a result of this RFP is subject to the Department's contracting procedures, which may include approval by the Office of the Attorney General.

## II. MANDATORY PROVISIONS

### ■ A. POS STANDARD CONTRACT, PARTS I AND II

*By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with the provisions of Parts I and II of the State's "standard contract" for POS:*

Part I of the standard contract is maintained by the Department and will include the scope of services, contract performance, quality assurance, reports, terms of payment, budget, and other program-specific provisions of any resulting POS contract. A sample of Part I is available from the Department's Official Contact upon request.

Part II of the standard contract is maintained by OPM and includes the mandatory terms and conditions of the POS contract. Part II is available on OPM's website at: [http://www.ct.gov/opm/fin/standard\\_contract](http://www.ct.gov/opm/fin/standard_contract)

Note:

Included in Part II of the standard contract is the State Elections Enforcement Commission's (SEEC) notice (pursuant to C.G.S. § 9-612(g)(2)) advising executive branch State contractors and prospective State contractors of the ban on campaign contributions and solicitations. If a proposer is awarded an opportunity to negotiate a contract with the Department and the resulting contract has an anticipated value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts has an anticipated value of \$100,000 or more, the proposer must inform the proposer's principals of the contents of the SEEC notice.

Part I of the standard contract may be amended by means of a written instrument signed by the Department, the selected proposer (contractor), and, if required, the Attorney General's Office. Part II of the standard contract may be amended only in consultation with, and with the approval of, the Office of Policy and Management and the Attorney General's Office.

### ■ B. ASSURANCES

*By submitting a proposal in response to this RFP, a proposer implicitly gives the following assurances:*

1. **Collusion.** The proposer represents and warrants that the proposer did not participate in any part of the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance. The proposer further represents and warrants that no agent, representative, or employee of the State participated directly in the preparation of the proposer's proposal. The proposer also represents and warrants that the submitted proposal is in all respects fair and is made without collusion or fraud.
2. **State Officials and Employees.** The proposer certifies that no elected or appointed official or employee of the State has or will benefit financially or materially from any contract resulting from this RFP. The Department may terminate a resulting contract if it is determined that gratuities of any kind were either offered or received by any of the aforementioned officials or employees from the proposer, contractor, or its agents or employees.
3. **Competitors.** The proposer assures that the submitted proposal is not made in connection with any competing organization or competitor submitting a separate proposal in response to this RFP. No attempt has been made, or will be made, by the proposer to induce any other organization or competitor to submit, or not submit, a proposal for the purpose of restricting competition. The proposer further assures that the proposed costs have been arrived at independently, without consultation, communication, or agreement with any other organization or competitor for the purpose of restricting competition. Nor has the proposer knowingly disclosed the proposed costs on a prior basis, either directly or indirectly, to any other organization or competitor. This section shall not apply when proposals are being submitted to operate a collaborative program provided by one or more separate entities.

4. **Validity of Proposal.** The proposer certifies that the proposal represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFP and any amendments or attachments hereto. The proposal shall remain valid for a period of 180 days after the submission due date and may be extended beyond that time by mutual agreement. At its sole discretion, the Department may include the proposal, by reference or otherwise, into any contract with the successful proposer.
5. **Press Releases.** The proposer agrees to obtain prior written consent and approval of the Department for press releases that relate in any manner to this RFP or any resultant contract.

#### ■ C. TERMS AND CONDITIONS

*By submitting a proposal in response to this RFP, a proposer implicitly agrees to comply with the following terms and conditions:*

1. **Equal Opportunity and Affirmative Action.** The State is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, or business practices. The State is committed to complying with the Americans with Disabilities Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.
2. **Preparation Expenses.** Neither the State nor the Department shall assume liability for expenses incurred by proposers in preparing, submitting, or clarifying proposals submitted in response to this RFP.
3. **Exclusion of Taxes.** The Department is exempt from the payment of excise and sales taxes imposed by the federal government and the State. Proposers are liable for any other applicable taxes.
4. **Proposed Costs.** No cost submissions that are contingent upon a State action will be accepted. All proposed costs must be fixed through the entire term of the contract.
5. **Changes to Proposal.** No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, the Department may request and authorize proposers to submit written clarification of their proposals, in a manner or format prescribed by the Department, and at the proposer's expense.
6. **Supplemental Information.** Supplemental information will not be considered after the deadline submission of proposals, unless specifically requested by the Department. The Department may ask a proposer to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a proposal. Any such demonstration, interview, or oral presentation will be at a time selected and in a place provided by the Department. At its sole discretion, the Department may limit the number of proposers invited to make such a demonstration, interview, or oral presentation and may limit the number of attendees per proposer.
7. **Presentation of Supporting Evidence.** If requested by the Department, a proposer must be prepared to present evidence of experience, ability, data reporting capabilities, financial standing, or other information necessary to satisfactorily meet the requirements set forth or implied in this RFP. The Department may make onsite visits to an operational facility or facilities of a proposer to evaluate further the proposer's capability to perform the duties required by this RFP. At its discretion, the Department may also check or contact any reference provided by the proposer.
8. **RFP Is Not An Offer.** Neither this RFP nor any subsequent discussions shall give rise to any commitment on the part of the State or the Department or confer any rights on any proposer unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the proposer and the Department and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs incurred by the proposer or for payment of services under the terms of the contract until the successful proposer is notified that the contract has been accepted and approved by the Department and, if required, by the Attorney General's Office.

#### ■ D. RIGHTS RESERVED TO THE STATE

*By submitting a proposal in response to this RFP, a proposer implicitly accepts that the following rights are reserved to the State:*

1. **Timing Sequence.** The timing and sequence of events associated with this RFP shall ultimately be determined by the Department.
2. **Amending or Canceling RFP.** The Department reserves the right to amend or cancel this RFP on any date and at any time, if the Department deems it to be necessary, appropriate, or otherwise in the best interests of the State.
3. **No Acceptable Proposals.** In the event that no acceptable proposals are submitted in response to this RFP, the Department may reopen the procurement process, if it is determined to be in the best interests of the State.
4. **Award and Rejection of Proposals.** The Department reserves the right to award in part or reject proposals in whole or in part for misrepresentation, or if the proposal limits or modifies any of the terms, conditions, or specifications of this RFP. The Department may waive minor technical defects, irregularities, or omissions, if in its judgment the best interests of the State will be served. The Department reserves the right to reject the proposal of any proposer who submits a proposal after the submission date and time.
5. **Sole Property of the State.** All proposals submitted in response to this RFP are to be the sole property of the State. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of the State, unless stated otherwise in this RFP or subsequent contract. The right to publish, distribute, or disseminate any or all information or reports, or part thereof, shall accrue to the State without recourse.
6. **Contract Negotiation.** The Department reserves the right to negotiate or contract for all or any portion of the services contained in this RFP. The Department further reserves the right to contract with one or more proposer for such services. After reviewing the scored criteria, the Department may seek Best and Final Offers (BFO) on cost from proposers. The Department may set parameters on any BFOs received.
7. **Clerical Errors in Award.** The Department reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial proposer is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the proposer.
8. **Key Personnel.** When the Department is the sole funder of a purchased service, the Department reserves the right to approve any additions, deletions, or changes in key personnel, with the exception of key personnel who have terminated employment. The Department also reserves the right to approve replacements for key personnel who have terminated employment. The Department further reserves the right to require the removal and replacement of any of the proposer's key personnel who do not perform adequately, regardless of whether they were previously approved by the Department.

#### ■ E. STATUTORY AND REGULATORY COMPLIANCE

*By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with all applicable State and federal laws and regulations, including, but not limited to, the following:*

1. **Freedom of Information, C.G.S. § 1-210(b).** FOIA generally requires the disclosure of documents in the possession of the State upon request of any citizen, unless the content of the document falls within certain categories of exemption, as defined by C.G.S. § 1-210(b). Proposers are generally advised not to include in their proposals any confidential information. If the proposer indicates that certain

documentation, as required by this RFP, is submitted in confidence, the State will endeavor to keep said information confidential to the extent permitted by law. The State has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. The proposer has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. While a proposer may claim an exemption to the State's FOIA, the final administrative authority to release or exempt any or all material so identified rests with the State. In no event shall the State or any of its employees have any liability for disclosure of documents or information in the possession of the State and which the State or its employees believe(s) to be required pursuant to the FOIA or other requirements of law.

2. **Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive.** CT statute and regulations impose certain obligations on State agencies (as well as contractors and subcontractors doing business with the State) to insure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons.
3. **Consulting Agreements, C.G.S. § 4a-81.** Proposals for State contracts with a value of \$50,000 or more in a calendar or fiscal year, excluding leases and licensing agreements of any value, shall include a consulting agreement affidavit attesting to whether any consulting agreement has been entered into in connection with the proposal. ### III. PROGRAM INFORMATION

#### ■ A. DEPARTMENT OVERVIEW

The Connecticut Department of Correction incarcerates approximately 17,000 offenders throughout fifteen (15) facilities in the State of Connecticut. The agency operates an integrated jail, prison and Parole system, which means that it is responsible for incarceration of youth, male and female sentenced and unsentenced individuals as well as ensuring appropriate community supervision for approximately 4,000 offenders residing in the community prior to completion of their criminal sentences.

Facility complements include a designated male youth facility (sentenced and unsentenced population), a designated female facility (youths and adults / sentenced and unsentenced population), 4 adult male jails (sentenced and unsentenced population) and 9 adult male prisons.

#### ■ B. PROGRAM OVERVIEW

The Prison Rape Elimination Act (PREA) was passed in 2003 and seeks to: ***"provide for the analysis of the incidence and effects of prison rape in Federal, State, and local institutions, while providing information, resources, recommendations and funding to protect individuals from prison rape."***

The PREA Act is applicable to all public and private institutions that house adult or juvenile offenders and is also relevant to community-based agencies housing adult or juvenile offenders. The major components of the PREA Act are as follows:

- Adherence to a zero-tolerance standard for the incidence of inmate sexual assault and rape;
- Development of standards for detection, prevention, reduction, and punishment of prison rape;
- Collection and dissemination of information on the incidence of prison rape;
- Award of grant funds to help state and local governments implement the purposes of the Act.

Through this procurement process, the Department is seeking to address the PREA requirement of independent audit of its correctional facilities to ensure adherence to PREA-promulgated standards, policies and directives.
